The Real Spy's Guide is a serious book aimed at those who may at some point in their formative years consider becoming an intelligence officer—a spy in popular parlance. The seven chapters explain why spying is necessary, what spies do and do not do, the qualifications required, the terminology used, and how to ap-

Through John's second book "A Spy's Guide to Strategy, we learn about strategy through the eyes of a CIA case manager. A master spy. A field operative. John teaches us that Strategy is imagination and reasoning, separate but connected. Strategy is looking forward (imagination) and reasoning backwards.
