Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

For process change to be efficient and
effective, it is important that the level of
process change is appropriate to the
process under review. However, the
level of process change required is also
likely to reflect the process capability
maturity of the business. If the business
has mature process capabilities, process
improvement efforts will be
