This would've been ok with me, if the solutions weren't wrong!!! The answer in the back of the text was DIFFERENT than the solution given in this manual about 70% of the time. On top of that, the solutions throw in random numbers and don't describe how they got them, as well as actually giving an incorrect solution for some of the "answers".

This solutions manual is lacking in that it doesn't give you very many solved problems from each chapter. However, in light of the fact that the textbook completely leaves you hanging at every turn, I needed every bit of help I could get, and this solutions manual at least showed you how to solve some problems, which the textbook didn't.
