An approved political science field Your general analytical and research abilities based on your research papers If you are on the economics track, the first section is a written exam administered and graded by faculty members at Harvard's Department of Economics.

Department of Economics Harvard University

This paper develops a taxonomy of political regimes that distinguishes between three sets of rights - property rights, political rights and civil rights. The truly distinctive nature of liberal democracy is the protection of civil rights (equal treatment by the state for all groups) in addition to the other two.
