Discourse Communities I identity and Communities of Practice

While it largely happens as a result of community interactions, the aim of many organisations and programs is to increase horizontal community engagement. Many voluntary community groups (e.g., sports clubs, environments groups) are also keen (if not desperate) to increase engagement with their local community and to have more people engaged.

Communities of practice in international developmentFINAL

If we recognise that problems do not lie within people but are the results of interactions, we are less likely to blame individuals or communities for the challenges they face. It encourages us to think about the role interactions can play and it seems to me that it makes it easier to ask questions about social justice and equity. Graeme. Like Like

The interactions that occur during the ripening of smear cheeses are not well understood. Yeast-yeast interactions and yeast-bacterium interactions were investigated within a microbial community composed of three yeasts and six bacteria found in cheese. The growth dynamics of this community was precisely described during the ripening of a model cheese, and the Lotka-Volterra model was used to ...
