and threats in the external environment, and looking at how and how well the organisations products and services meet customer and other stakeholder needs”

The Institute way,  
Howard Rohm, et al.  
Strategic assessment  
can be broken down  
into three major steps:  
1.

## **Stagnation Definition**

# Read Free Market Assessment And Stagnation Overall

Market assessment helps to validate the opportunity for a technology or service by determining the market you are operating in, its size and potential customers. Market assessment provides project direction - you could be developing x but the market/customer wants x+1 or x-1.
