Lower Elementary Great Lesson. September 15, 2017. Lower Elementary students recently encountered their first Cosmic Lesson; The Story of the Universe. In Montessori, Cosmic Lessons are meant to help students embrace a vision of expansive events that bind and unite us all. The Story of the Universe is the adaptation of scientific ideas meant to ...

The Great Lessons

Fourth Great Lesson: The Story of Writing ... Also in our "History of Language" drawer are two- and three-part cards from ETC Montessori. I'm pretty mad at myself because intended to make the two-part cards into a control booklet for the three-part cards. However, I laminated them and forgot to stack the images and definitions back-to-back.
