### Nikon | Imaging Products | Creative Lighting System - Nikon D4

For now, we will start with a single light setup. All major DSLR manufacturers make speedlights that are proprietary to their cameras. Nikon calls its flash system "Nikon Creative Lighting System" with lots of built-in automation. Canon and Sony also have their own comparable flash systems.

### CSL Lighting

This DVD is really geared for the Nikon CLS (Creative Lighting System) of wireless remotes and a commander, which is a very cool and compact system of lighting now that I see it in action. However, the principles can be used with whatever flash equipment you have or even with standard lights around the house.

### The Nikon Creative Lighting System
