ka24e distributor - Nissan Forum | Nissan Forums

So I installed the oil pump like everyone else said (engine is at tdc) with it pointing out the distributor cover looking like a 'D' straight up and down. But then I go to put the dizzy in and it was 180 degrees out (distributor only goes in one way, and it's pointing at the 3rd cylinder (toleft) instead of 1st cylinder (bottom right)).

Nissan KA24E Oil Pump Install (2018)

Nissan QR engine The KA engines were a series of four-stroke inline-four gasoline piston engines manufactured by Nissan , which were offered in 2.0 and 2.4 L. The engines blocks were made of cast-iron , while the cylinder heads were made of aluminum .
