NVR School - Non Violent Resistance and New Authority

To obtain a Certificate in Non Violent Resistance Therapy and Intervention, therapists must attend an 8-day training course plus two clinical supervision days. There is an expectation that these will be augmented by attendance at peer-supervision groups where ongoing work using NVR can be discussed with colleagues.

Non-Violent Resistance: A New Approach to Violent and Self ...

In family work, Non-Violent Resistance begins with the parent acknowledging that the child is not the problem - the problem is the problem. This shift in perspective is crucial . When the problem is no longer located in the child, the parent is empowered to begin a change - rather than simply waiting for the child to be assessed or treated by a mental health professional.
