feels like it should be confusing, but Damon Young makes it both intriguing and insightful.' Dean Burnett

Teaching the Art of Reading in the Digital Era - Pacific ...

This invocation of the familiar adage ("You can't see the forest for the trees") is right on the money in the art of reading. It echoes the hermeneutical circle as well as the whole idea that though the evidence for a given interpretation is in the text, it is the text itself that needs interpreting in the first place.

The Art of Reading Minds: How to Understand and Influence ...

As the art of close reading—a finely grained analysis of a text—has declined, a cohort of experts has emerged to reverse the trend and encourage stronger reading habits. Their solution has a kind of old-school simplicity to it: We need to allow the physicality of the book itself to lure us back into the pleasures of reading.

The Art of Reading People: Understanding Body Language ...

I've helped other students become "Great Readers". "The Art of Reading enabled me to let go of all the old "rules" and "work" of reading and instead allows me to truly and deeply enjoy books I love ... and more importantly, it vastly helps me acquire more and better knowledge in the easiest way possible.

The Art of Reading: An Illustrated History of Books in ...

The Art of Reading Minds isn't actually about reading minds. It's about observing other people's body language closely to notice their "tells." It's about observing other people's body language closely to notice their "tells."
