The following sections from the PCI Design Handbook include interaction curves, load tables, and section properties for various precast concrete components. You can access tables from previous editions of the handbook as well as the current edition. For additional explanations on using these tables, refer to the respective handbook editions.

PCIDH PCI Design Handbook, 7th Edition- PCI: Amazon.com: Books
It is of interest to review the process by which the seventh edition of the PCI Design Handbook was created. As soon as the sixth edition was published in 2004, a new Industry Handbook Committee was established. It consisted of 25 full members and 3 consulting members. Eighteen of these people served on the previous sixth-edition committee.
