Preparing for General Physics: Math Skills Drills and ...

Math for Physics. It's no secret that many students find physics to be one of the harder classes they take. Part of the reason for this is that not only is physics very math intensive, but it also ...

Preparing for general physics (1992 edition) | Open Library

AP Physics 2 prerequisites: The role of math here is to state a physics concept in a concise and clear way. Try not to let the math obscure the basic and, usually simple, physics concept that lies underneath. More important than existing math knowledge, is your mindset. No matter how much you prepare, you'll come up against roadblocks.
