NEMO Hornet Elite 2P Review - Backpacking Light

The de Havilland DH.103 Hornet was a twin-piston engined fighter aircraft that further exploited the wooden construction techniques pioneered by de Havilland's earlier Mosquito. Entering service at the end of the Second World War, the Hornet equipped post-war RAF Fighter Command day fighter units in the UK and was later used successfully as a strike fighter in Malaya.

2001 Honda CB 600 F Hornet specifications and pictures

This review of the HoRNet SW34EQ is definitely long overdue but I felt like I needed to sit with this one for a while and really incorporate it into my workflow to be able to make a fair assessment - for better or for worse.. The HoRNet SW34EQ is an analog model of the EQ section from an Otari Soundworkshop 34b Series Console located in the Main room at Virus Studio in Siena, Italy.
