Sounding Out! stands with the RaceB4Race Executive Board and their recent public statement published via the Arizona Center for Medieval and Renaissance Studies at Arizona State University regarding racism and the institutional structures of peer review in academia. Here is an excerpt of their clarion call for deep, systemic change but please read their entire statement here.

Sounding Salsa Performing Studies America

Interestingly, if we had started interviewing these Latin American scholars earlier, this would have been a very different conversation—in the early 2000s, the small group of scholars who worked in performance studies hemispherically had to repeatedly remind interlocutors that we were not referring to performance art, as both Antonio Prieto and Zeca Ligiéro mention in their interviews.

Sounding Salsa: Performing Latin Music in New York City ...

This essay shows how salsa stimulates unruly audition. It responds to that stimulation by performing multi-sensorial poetic listening with the excessive, tender, and queer audio-visual sabores [tastes], gestures, and details of two live performances by the musicians and singers contracted to Fania in the 1970s, one in Yankee Stadium in the Bronx in 1973 and the other in 1974 at Zaire '74 in ...

The book is a great read of undoubtedly great use for scholars in the aforementioned fields of study, or to any student who wants to learn about the spatially transformative powers of sound and music, or more about Peruvian culture in general, although a degree of familiarity with either Latin American cultural studies or critical geography is recommended."

What is Performance Studies? Introduction

Instead of trying to trace the origins of Latin American performance studies, the multiplicity of essays, tags, and interviews in this book is an attempt to do what Michel Foucault describes in "Nietzsche, Genealogy, History" (1984) as the work of the genealogist: "[to] record the singularity of events outside of any monotonous finality."

European Review of Latin American and Caribbean Studies

One of the few existing studies of role performance in Latin America is the work by Mellado and Lagos (2014), who found a direct relation between news beat and the mate- rialization of roles in ...

Major with Music Concentration. The Music concentration of the Performing Arts and Social Justice (PASJ) major provides students with foundational studies in common practice, theory, and harmony, training in historiographic as well as ethnographic methods for studying music, and engagement with different styles, genres, and applications of live performance.

Latin American Studies - University of Puget Sound

Aaron Copland composed music known for its "American" sound during a time when music in the United States was still heavily influenced by the European composers. With works like Fanfare for the Common Man, Appalachian Spring, and Rodeo, he incorporated folk music, Shaker hymn tunes, and harmonies that resembled the immense and varied landscape, as well as the patriotic and pioneer spirit.
