A strategic shift in nation-building - TODAYonline

In western Europe those changes were marked by the transition from feudalism to absolutism to the nation-state. State-building theory tends not to dwell on the differences of political regime that may accompany the state-building process; both democracy and authoritarianism require a state to defend its borders, govern its citizens, and extract ...

State building and nation building | European Review ...

A nation appeals, the State orders; a nation persuades, a States coerces; and a nation boycotts, the State punishes. State is a political organisation, while the nation is a unity. State and nation do not have the same boundaries, and yet there is a tendency for a nation and state to be one.

Statebuilding and Nationbuilding: Comparative Perspectives ...

Whilst state-building and nation-building are often used interchangeably in current debates outside the field of development studies, they have not always been perceived as synonymous.
