An enthralling account of the greatest adventure in European history - the discovery of the rest of the worldThe Age of Reconnaissance, as J. H. Parry so aptly named it, was the period in which Europe discovered the rest of the world. It began with Henry the Navigator and the Portuguese voyages in the mid-fifteenth century and ended 250 years later when the 'reconnaissance' was all but complete.

**Buy Age of Reconnaissance: Discovery, Exploration, and ...**  
The Age of Reconnaissance, as JH Parry has so aptly named it, was the period during which Europe discovered the rest of the world. This book examines the inducements - political, economic, religious - to overseas enterprises at the time, and analyzes the nature and problems of the various European settlements in the new lands.

**The Age of Reconnaissance: Discovery, Exploration and ...**  
The Age of Reconnaissance was first published in 1963, and was instantly recognized as a classic. It is pertinent to inquire into how far this new edition is a revised one. The author claimed in his preface (dated July 1981): "The text of this edition has been extensively revised, to take account of new work, and to reflect my own changes of mind during that period" (p. vii).
