The road less travelled is about spiritual growth, and how very

1. The Road Not Taken. Frost, Robert. 1920. Mountain Interval

What a great subject for a poem. We are all confronted with two roads in life and most people take the road more traveled. Luckily Robert Frost did not conform to the norm or we wouldn't have such an excellent write. : -)

Most readers consider “The Road Not Taken” to be a paean to triumphant self-assertion (“I took the one less traveled by”), but the literal meaning of the poem’s own lines seems completely at odds with this interpretation.
