Violence: Reflections on Our Deadliest Epidemic

Violence - Reflections on Our Deadliest Epidemic - James Gilligan has written a stunning book about violence. As a psychiatrist who has spent twenty-five years of his professional life treating men who committed murder, Gilligan draws poignantly on his work with prisoners to help us understand what motivates desperate men.

VIOLENCE - WordPress.com

This reflective account offers a female group analytic perspective on working with male inpatients within low-secure forensic settings. Viewed through the metaphor 'Stone Mother', I suggest that this setting is especially challenging for female group analysts because of its paternalistic matrix and the unflattering portrayal of women as 'seductive temptress' or 'evil stepmothers ...
